RE: ADDENDUM NO. 2 TO REQUEST FOR
PROPOSALS (RFP) PACKAGE
Sterling Highway MP 45-60 Sunrise Lake Rd to
Skilak Lake Rd Phases 2-5 CM/GC Independent
Cost Estimator Services
RFP 25202057

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. Submittal deadline has not changed.

2. QUESTIONS AND ANSWERS

Q1: The Submittal Checklist #6 states that Price is an Evaluation Criteria for the proposed Contract. It further states "If Price is a Criterion, prepare Billing Rates and/or Price Proposals as described in Criterion #12 and/or #13." Criterion 12 has a weight of 10. We must submit our Labor Billing Rates in the Required format. Criterion 13 has a weight of 0. Does this mean we do not need to submit a Total Price Proposal?

A1: Correct. Labor rates are required in response to Criterion 12. Because Criterion 13 is unweighted, a total price proposal is not required.

Q2: My question is an Alaska Business License required at time of submitting the proposal or time of award? Also, are subcontractors required to have their own Alaska Business License separate from the prime contractor? And if so do they also have to have to submit with proposal or can they wait and have it at the time of the award.

A2: An Alaska Business License is required at the time contract is awarded for the Contractor and all Subcontractors. This is described in document rfp-d that was made available in Addendum 1.

All other terms and conditions remain the same.
